The **Country Education Foundation of Griffith (GCEF)** was established to provide much needed financial assistance and support to local youth to help them achieve their post high school education, training and vocation aspirations. We recognise that the cost of rural students pursuing their post high school goals is often much greater than those of their metropolitan counterparts and that sometimes these costs can be prohibitive.

Scholarships are available to local youth who have lived and/or attended school in the Griffith area for the majority of their high school years.

The GCEF does not focus on applicant's academic success. The four essential selection criteria are:

- That you have demonstrated financial need;
- You are aged 16-22 years;
- That you have gone to school or currently reside in the Griffith area; and
- That you have shown commitment to achieving your goal

Applications close 31 December 2023
